## INFERNO GOLD – NOTARIANNI SOFTBALL TEAM

RE: Individual Player Sponsorship

Dear Family, Friends & Community,

Our 2023/2024 softball season is upon us and this is a very important year for our team as our players are all competing for college scholarships.

Inferno players work very hard, devoting long hours to practice and spending many weekends playing tournaments. These young ladies learn to balance their time between school, family, friends and sports, all of which require much sacrifice but teach valued life experiences that enhance and benefit our players, both personally and academically, laying the groundwork for a successful future.

As you can imagine, the cost associated with running a highly competitive traveling fastpitch softball team is considerable. In addition to the year-round training costs, the cost to attend showcase tournaments and college clinics is very expensive. The players need your support on their journey in competing for college scholarships. The players asking for your support are your local friends and families.

We ask for your support on behalf of these players, as well as support from your local friends and families. The sponsorship will not go unnoticed! For questions and inquiries, please contact Sam Notarianni at [CoachSamN@yahoo.com](mailto:CoachSamN@yahoo.com) or 609-712-0444.

Best regards and many thanks for your consideration in helping the players in their quest to play softball in college!

Sincerely,

East Coast Inferno 16U / 18U Softball Teams and  
Coaches Sam Notarianni, Joe DeMatteo, Alyssa Notarianni, Mike Search
